>We can get them on Bliss, guys don't be nervous,

2. We'll Halo All Night

This another song that we were joking around with and changed the words to, I thought since I posted the first why not the second? This is more aimed towards online Multiplayers who will all probably relate haha!

We like to sleep all day and Halo all night!

>This is how we like to waste our lives!
Volume up!

>Oh, Oh, let's go!<p>

We're playing infection, yeah!

>Everybody's losing, yeah!
We're trying to get the last man standing,

>But we can't because he's camping,
Just stab him, stab him, oh!

>So much confusion, yeah!
Cause everybody is losing it!

>It's feeling like the best of all nights with pretty flashing lights, that explode, oh, oh, oh!
And we don't have any zombies nearby,

>Until we get some allies,
We're breaking all the rules we know!

>We're out of control!
We shoot, we fall!

>For there is no morning there is only Halo!<p>

We like to sleep all day and Halo all night!

>This is how we like to waste our lives!
I gotta feeling that
we're gonna get sniped, so respawn, respawn!
>We like to sleep all day and Halo all night!
This is how we like
to waste our lives!
>I gotta feeling that we're gonna get sniped So respawn,
respawn!
We'll halo all night!

...yeah, the sound of an explosion,
>We're going like the marines in the warthogs,
And we're breaking
the rules,
>And we splat it, splat it oh, oh!
No hesitation, no! No sleep
even as day comes, no!
>We're gonna shoot with our friends until god knows when oh, oh, oh
Cause we rock it!
And we don't have any zombies nearby,
>Until we get some allies,
We're breaking all the rules we know!

>We're out of control!
We shoot, we fall!
>For there is no morning there is only Halo!<p>

We like to sleep all day and Halo all night!
>This is how we like to waste our lives!
I gotta feeling that
we're gonna get sniped, so respawn, respawn!
>We like to sleep all day and Halo all night!
This is how we like
to waste our lives!
>I gotta feeling that we're gonna get sniped So respawn,
respawn!
We'll Halo all night!

We're gonna slay until the match is won,
>We ain't gonna stop even when we see the sun,
We'll need to stay
alert...
>No time for tea-bagging,
We're playing infection!

We like to sleep all day and Halo all night!
>This is how we like to waste our lives!
I gotta feeling that
we're gonna get sniped, so respawn, respawn!
>We like to sleep all day and Halo all night!
This is how we like
to waste our lives!
>I gotta feeling that we're gonna get sniped So respawn,
respawn!
We'll Halo all night!
